v.

*De Thouars, Carmen Rebecca, Miller Carmen
Suzanne, Danny Andrew Huybrechts*

Lalita Greene, Paralegal Specialist:

On April 13, 2016, Petitioner filed with the Board a copy of its interrogatories that were apparently served on counsel for Registrant. However, requests for discovery, responses thereto, and materials or depositions obtained through the discovery process should not be filed with the Board except when submitted (1) with a motion relating to discovery; or (2) in support of or response to a motion for summary judgment; or (3) under a notice of reliance during a party's testimony period; or (4) as exhibits to a testimony deposition; or (5) in support of an objection to proffered evidence on the ground that the evidence should have been, but was not, provided in response to a request for discovery. The Board may return discovery papers or materials filed under other circumstances. See 37 CFR §2.120(j)(8); and TBMP §413 and authorities cited therein.

In view thereof, Petitioner is advised that the Board will accept the filing of discovery materials only in those instances outlined above.
