**RESPONDENT’S MOTION TO DIMISS PETITION TO CANCEL AND
COUNTERCLAIM TO CANCEL PETITIONER’S MARKS AS GENERIC AND
INVALIDITY ASSIGNED IN GROSS**

Respondent, 5280 REALTY, INC (“5280”), acting *Pro Se*, respectfully moves the Trademark Trial and Appeal Board (the “Board”) to Dismiss Petitioner, CROSSFIT, INC (“CROSSFIT”) Petition for Cancellation for failure to state a claim pursuant to Federal Rule of Civil Procedure 12(b)(6) and Section 503 of the Trademark Trial & Appeal Board Manual of Procedure (T.B.M.P.).

Respondent brings the present motion to dismiss on the grounds that Petitioner: (1) Petitioner fails to state a claim that Registration(s) No. (3,838,462 & 3,871,084) are likely to cause confusion, deception, or mistake; or are Merely Descriptive (2) Petitioner fails to state a claim that Registration(s) No. (3,838,462 & 3,871,084) have been Abandoned or procured through Fraud. Respondent hereby *Counterclaims* and Motions the TABB (the “Board”) to Cancel Petitioner’s trademarks (Registration Nos. 3,007,458; 3,826,111; 4,049,689; 4,053,443; 4,122,681 and more) as being 1) Generic and; 2) Marks are Invalidly Assigned in Gross as “Exercise instruction service”, and should be cancelled.

A 12(b)(6) motion to dismiss is a dispositive motion, and thus, the cancellation proceedings should be suspended pending the determination of this motion. 37 C.F.R. § 2.127(d); T.B.M.P. § 510. and pursuant to Trademark Rules of Practice 2.124(d)(2) and 2.117(c).

PRELIMINARY STATEMENT

The Respondent denies and strongly rejects any and all allegations and claims made by the Petitioner in its petition for cancellation of Respondents Registration(s) No. (3,838,462 & 3,871,084). See FED. R. CIV. P. 8(b); *Thrifty Corp. v. Bomax Enters.*, 228 USPQ 62, 63 (TTAB 1985); Trademark Trial and Appeal Board Manual of Procedure (TBMP) §311.02(a) (2014). Respondent refutes Petitioners Standing to bring forth this petition for cancellation of Respondents Registration(s) No. (3,838,462 & 3,871,084) on the legal basis that parties are not in competition and *Do Not Compete*.

Rules of Civil Procedure and existing Trademark Trial & Appeal Board case law have found that petitions for cancellation are denied when no factual basis or evidence is presented by Petitioner *proving* Legal Standing that parties are in competition and harm is imminent; if they don't compete there is *no* Legal Standing. The Parties are *not* Competitors; therefore there is *no* Likelihood of confusion and *no* possibility of on-going harm *nor* damage to the Petitioner. In the absence of an admission or stipulation, it is incumbent on Petitioner to establish its standing, a threshold issue that must be proven by the plaintiff in every *inter partes* case. See *Ritchie v. Simpson*, 170 F.3d 1092, 50 USPQ2d 1023, 1025 (Fed. Cir. 1999); *Lipton Indus., Inc. v. Ralston Purina Co.*, 670 F. 2d 1024, 213 USPQ 185, 188 (CCPA 1982); *John W. Carson Found. v. Toilets.com Inc.*, 94 USPQ2d 1942, 1945 (TTAB 2010). A party has standing to seek cancellation of a registration if the party believes it is likely to be damaged by the registration. *Cunningham v. Laser Golf Corp.*, 222 F.3d 943, 55 USPQ2d 1842, 1844 (Fed. Cir. 2000). In this petition it is evident that the parties are not in competition and are in completely different USPTO categories. The Respondent and Petitioner travel in different channels of trade/service, have completely different marketing channels and dissimilar services on opposite sides of the spectrum. Petitioner markets generic *exercise regimes* and Respondent markets realty services, specifically to the niche Colorado real estate market. This Honorable Board could take the prima facie alleged accusations and pled facts by the Petitioner in its petition for cancellation and find that there is no Standing or Cause of Action based on existing registrations of the parties. The Petitioner's mark are far from being famous, even though they may claim their registrations as such, they are far reaching and have no factual basis except for 1 civil case ("CrossFit vs. Jenkins") in

which there was *no* Respondent/Defendant to object to any of CrossFit's claims, so they self-professed their Registrations as being famous. Even if, Petitioner were to rely on a priority of use factor, Petitioner *fails* there as well with Respondent's "*first use*" preceding Petitioner's "*first use*". In cancellation proceedings "it is the plaintiff's burden to demonstrate that its use of its [] mark is prior to defendant's use of its registered mark." Calypso Tech., Inc. v. Calypso Capital Mgmt., LP, 100 U.S.P.Q.2d 1213, 2011 TTAB LEXIS 259 (T.T.A.B. 2011) (citation omitted). Therefore, the Petitioner may rely only on the various filing dates of the underlying applications for its Marks in support of any priority claim. In summary, the Petitioner fails to establish priority for any of its Marks filed after the Respondent's Registrant's Mark: U.S. Registration No. 3,838,462. This Petition is unable to rise to any reasonable standard to meet this Honorable Board's survivability in Court with no provable bona fide triable claim for Cancellation. Thus, a *denial* of cancellation of Respondent's registrations is warranted and just.

Important Note: Respondent wants to make this Honorable Board aware that the parties are involved in an on-going Federal Civil Complaint. Petitioner had filed a single count of Cybersquatting against Respondent on 01/26/2015 in the United States District Court, District of Colorado, under Case No. 1:15-cv-00176. This Petition for cancellation is more of a retaliatory action by Petitioner against Respondent since Petitioner is likely to fail in its Complaint of Cybersquatting. The Cybersquatting Complaint has not yet been adjudicated and parties are awaiting a ruling on Defendant's Motion to Dismiss and its Motion for Judgement on Pleadings. This petition for cancellation fails to meet the minimal standards of a triable issue of the law based on the baseless allegations of the Petitioner, lack of provable facts, and absence of any evidence. The parties' respective registered marks provide the best evidence to this Honorable Board, which establishes *no* competition and *no* legal standing to move forward because parties do *not* compete.

I. BACKGROUND

Respondent, 5280 Realty, Inc. and Joe P. Sainz III individually began marketing realty listing services for profit via the internet on or around 1999, selling gathered leads and information. The Respondent, Joe P. Sainz III, is a 2nd generation Denver Colorado native who has embraced the essence of Denver residing 1 mile (5280 feet) above sea level and began using the term '5280 in conjunction with the promotion is its

realty listing websites. Respondent, Joe P. Sainz III, began using the term '5280' as a logo/slogan on its realty listing websites to signify that the realty websites were tied to and rooted in Denver, even though the realty listing service is open to any and all users Nationwide. Respondent, dba '5280', branded websites with domain name registrations going back to 2001. (See Ex-1) '5280' websites offer real estate marketing and realty listing services to everyone who has access to the internet and are promoting their realty for sale. Respondent has registered domain names containing the term '5280' going back to 2005. (See Ex-2-2a) The target market and existing users for Respondent's websites and services are individual home sellers, real estate agents/brokers, real estate brokerages, and all users of the MLS (Multiple Listing Service). The API (computer algorithms and programming code) and databases allow our websites to feed our realty listings to the MLS systems via the internet and vice versa. Real Estate agents and their real estate brokerages are offered special pricing for bulk uploads of their properties, including homes, commercial property, rentals, apartment listings, basically everything that is real estate. The Respondent profits by offering free initial 1 month trials and free basic real estate listings that turn into for profit monthly usage subscriptions for realty listings. Because of the popularity of the website(s), Respondent can then monetize traffic from the website and data and offer advertising on the website(s) to real estate brokerages and real estate agents for targeted traffic, sell leads. This same model was adopted and is still being used by popular websites such as (Listhub.com, Trulia.com, Realtytrac.com, Zillow.com, ForSaleByOwner.com and many more). Many of the Respondent's websites that were started in 1999 to present, allow the listing of all realty including homes, land, apartments, as long as it is real property, it is permitted for listing. One of the Respondent's initial '5280' branded website domain names used is (MyFreeListing.com) (See Ex-3), which is one of the earliest website that can be documented to the USTPO showing *first use* of the term '5280' by Respondent. Because of growing popularity of the realty listing websites, in 2007, Respondent formally formed 5280 Realty, Inc. as a Colorado Corp. and established multiple tradenames incorporating the term '5280' with the Secretary of State of Colorado, all based on different uses of the term '5280'. (See Ex-9 p.13-24)

It wasn't until almost 10 years after '*first use*' of the '5280' term did Respondent seek to secure the term '5280' as a registered trademark. In 2008, Respondent procured the services of a professional IP

Attorney, Kendal Sheets, Esq., who began the process of applying for and successfully registering of the Trademark '5280' for the Respondent, which finally registered on 08/24/2010, after overcoming challenges by the USPTO. On 11/02/2010, Kendal Sheets Esq., procured a second registered trademark for the term '5280 Realty' for the Respondent. Both registered trademarks descriptions and applications were based on all of the realty marketing channels targeted by the Respondent, offered services, clients and users, areas and types of realty service targeted, and how the mark is used for promotion and profit. The intentions and goals of the Respondent have always been to have '5280' become the nationwide "go to" resource in Denver Colorado for everything and anything realty/real estate related. On 09/07/2012, Joe P. Sainz III took another step in furthering the long term business goals of '5280' and became licensed as a real estate agent (See Ex-4). Then on 09/05/2014, 5280 Realty DBA '5280' became recognized as fully licensed real estate brokerage with the Colorado Real Estate Commission (See Ex-5). In summary, the Respondent and Joe P. Sainz III individually, have been using the term '5280' in association with the promotion of realty/real estate services for many years before actually acquiring a federal registered trademark for the term '5280' and '5280 Realty'.

II. STATEMENT OF UNDISPUTED FACTS

Respondent, 5280 Realty, Inc. ("5280") dba 5280® is a verifiably formed Colorado Corporation, in good standing, that is registered with Secretary of State of Colorado (ID No.: 20071550864) (See Ex.6). 5280® is also Federally registered with Department of the Treasury (FEIN: 26-1875546) as a Corporate Entity (See Ex.6). 5280® is a Colorado Real Estate Brokerage License Number (EC100052492)(See Ex. 5). The Respondent, "5280" owns the distinctive incontestable Sect 8 &15 Federal and Colorado trademarks for the term '5280®' and '5280 Realty®'(See Ex. 7). 5280's federal trademarks are designated in Intl Cl.: 36 for Realty & Real Estate; first use in commerce 02/27/2001 for both marks, (See Ex. 7). The Respondent, "5280", was just issued on 10/05/2015 a Section 8 & 15 for the registration (3,838,462) mark '5280®' by the USPTO. (See Ex. 8). The Respondent, "5280", also has registered Colorado trade names dating back to 2007 doing business as "5280" with the Secretary of State of Colorado. (See Ex. 9). The Respondent, "5280", has been marketing and providing realty marketing services on the internet since

1999, but was only able to produce evidence to the USPTO showing *first use* dating back as early as 02/27/2001. (See Ex. 10). Respondent owns/operates over 50+ domain names that contain the actual term ‘5280’ dating back to as early as 2005 and extending to 2015. (See Ex. 2).

A. 5280® Trademarks and Trade names

Defendant, 5280®, owns the following Registered Federal and State trademarks and actively doing business as the following registered Colorado trade names dating back to 2007(See Ex-9 & 11):

- (1) “5280” (Federal USPTO Registration No. 3,838,462);
- (2) “5280 Realty” (Federal USPTO Registration No. 1,508,547);
- (3) “5280” (Colorado Trademark Reg. No. 20121194318);
- (4) “5280 Realty” (Colorado Trademark Reg. No. 20121194350);
- (5) “5280” (Colorado Trade Name ID Number: 20091552720);
- (6) “5280.biz” (Colorado Trade name ID Number: 20091552731);
- (7) “5280home.com” (Colorado Trade Name ID Number: 20091552738);
- (8) “5280 Realty” (Colorado Trade name Id Number: 20071564791);
- (9) “5280 Real Estate” (Colorado Trade Name Id Number: 20081108017);

On or about 10/27/2014 Respondent registered the domain name (5280crossfit.com) and pointed it directly to its realty website (5280listing.com), practicing good faith and fair use. It is has been firmly established by TABB and the USPTO, that two trademark registrants can co-exist and own registrations for the same mark, so long as they *do not compete* and operate in different market places and marketing channels. i.e (marks such as “United” and “Delta”). In fact, when the Registrant’s Mark consists of two literal elements, ‘5280’ and ‘crossfit’, ‘5280’, as the first element, is the dominant portion of the Registrant’s Mark. *See Presto Products Inc. v. Nice-Pak Products, Inc.*, 9 U.S.P.Q.2d 1895, 1897 (T.T.A.B. 1988) (“[I]t is often the first part of a mark which is most likely to be impressed upon the mind of a purchaser and remembered”). This same factor can be applied to a domain name registration and since these two TM registrants do not compete, the law favors the Respondent. On or around 01/13/2015, Respondent “5280” learned that the term ‘crossfit’ was an actual entity that markets exercise and fitness

regimes and that the term ‘crossfit’ was not just a general/generic term such as Pilates, Yoga, Dance, Exercise, Gym, or Jog, as believed by Respondent. Up to this point, the Respondent had no idea that “CrossFit” was an actual entity and had considered the term ‘cross fit’ to be a generic type of exercise or sport like soccer, jogging, boxing, Pilates or jiu jitsu. Respondent didn’t consider the term ‘crossfit’ to be trademarkable, let alone a company. Respondent and Petitioners are *not* in competition.

Respondents’ use of the ‘5280’ term in association to realty services and real estate marketing has satisfied the criteria to be considered substantially more than just a descriptive term that has acquired a "secondary meaning" to consumers. The ‘5280’ term had also become a source-identifying capacity and is protectable as a trademark. Therefore, 5280® has established a secondary meaning for the ‘5280’ term in relation to the Colorado realty market. 5280® regularly conducts business, marketing, and advertising nationwide through affiliate real estate websites like: Zillow.com, Trulia.com, Owners.com, Realtor.com and many more. 5280®’s established distinctive mark can be considered famous for being known throughout the nation as being the Denver realty source that is synonymous with “Mile High” = (5,280 feet in 1 mile). In Contrast, ‘CrossFit’ has nothing to do with Colorado real estate and ‘5280’ has absolutely nothing to do with exercise/fitness, simply because the two entities are *not in competition*. *First Use* as a priority favors the Respondent. “Crossift” term is used by others who are not competing. (See Ex-16)

III. LEGAL ARGUMENT- PETITIONER HAS FAILED TO STATE A CLAIM FOR WHICH RELIEF CAN BE GRANTED

A. Standard for a Motion to Dismiss Pursuant to Rule 12(b)(6)

A court’s function on a Rule 12(b)(6) motion is not to weigh potential evidence that the parties might present at trial, but to assess whether the Petitioner’s complaint/Petition is legally sufficient to state a claim for which relief may be granted. *Smith v. United States*, 561 F.3d 1090, 1098 (10th Cir. 2009). Fed. R. Civ. P. 12(b)(6) provides that a Respondent may move to dismiss a claim for “failure to state a claim upon which relief can be granted.” Fed. R. Civ. P. 12(b)(6). “The court’s function on a Rule 12(b)(6) motion is not to weigh potential evidence that the parties might present at trial, but to assess whether the Petitioner’s complaint/Petition alone is legally sufficient to state a claim for which relief may be granted.” *Dubbs v.*

Head Start, Inc., 336 F.3d 1194, 1201 (10th Cir. 2003) (citations and quotation marks omitted). “A court reviewing the sufficiency of a complaint presumes all of Petitioner's factual allegations are true and construes them in the light most favorable to the Petitioner.” *Hall v. Bellmon*, 935 F.2d 1106, 1109 (10th Cir. 1991).

The Supreme Court recently retired “the accepted rule that a complaint should not be dismissed for failure to state a claim unless it appears beyond doubt that the plaintiff can prove no set of facts in support of his claim which would entitle him to relief.” *Conley v. Gibson*, 355 U.S. 41, 45-46 (1957), abrogated by *Bell Atl. Corp. v. Twombly*, 550 U.S. 544 (2007). In *Twombly*, the Court replaced the Conley standard with a new standard that “prescribed a new inquiry for [courts] to use in reviewing a dismissal: whether the complaint contains ‘enough facts to state a claim to relief that is plausible on its face.’” *Ridge at Red Hawk, L.L.C. v. Schneider*, 493 F.3d 1174, 1177 (10th Cir. 2007) (quoting *Twombly*, 550 U.S. at 570). The Court explained that “a plaintiff must ‘nudge his claims across the line from conceivable to plausible’ in order to survive a motion to dismiss.” *Id.* (internal citation and brackets omitted). “Thus, the mere metaphysical possibility that some plaintiff could prove some set of facts in support of the pleaded claims is insufficient; the complaint must give the court reason to believe that this plaintiff has a reasonable likelihood of mustering factual support for these claims.” *Id.* Petitioner and Respondent services are *dissimilar*.

There is no reasonable Likelihood of Confusion, therefore there is no existence of a matter in dispute. The determination of the issue of likelihood of confusion is based on an analysis of all of the probative facts in evidence that are relevant to the factors set forth in *In re E. I. du Pont de Nemours & Co.*, 476 F.2d 1357, 177 USPQ 563 (CCPA 1973). *See also, In re Majestic Distilling Co., Inc.*, 315 F.3d 1311, 65 USPQ2d 1201 (Fed. Cir. Cancellation No. 92057240, 2003). In any likelihood of confusion analysis, two key considerations are the similarities between the marks and the similarities between the goods and/or services. *See Federated Foods, Inc. v. Fort Howard Paper Co.*, 544 F.2d 1098, 192 USPQ 24 (CCPA 1976). *See also In re Dixie Restaurants Inc.*, 105 F.3d 1405, 41 USPQ2d 1531 (Fed. Cir. 1997).

In evaluating a Rule 12(b)(6) motion to dismiss, courts may consider not only the Peition/Complaint itself, but also attached exhibits, *Indus. Constructors Corp. v. U.S. Bureau of Reclamation*, 15 F.3d 963,

964-65 (10th Cir. 1994), and documents incorporated into the complaint by reference, *Tellabs, Inc. v. Makor Issues & Rights, Ltd.*, 551 U.S. 308 (2007); *TMJ Implants, Inc. v. Aetna, Inc.*, 498 F.3d 1175, 1180 (10th Cir. 2007). “[T]he district court may consider documents referred to in the complaint if the documents are central to the plaintiff’s claim and the parties do not dispute the documents’ authenticity.” *Alvarado v. KOB-TV, L.L.C.*, 493 F.3d 1210, 1215 (10th Cir. 2007) (internal quotation omitted). As demonstrated within this Motion and attached exhibits thereto, Petitioner cannot meet the standard for pleading a plausible cause of action for cancellation of Respondent’s registrations (No. 3,838,462 & 3,871,084), regardless of how styled or opposed, existing facts refute all possibilities. Petitioner’s claims are lacking of any factual basis, *no* standing, and do *not* meet or rise to the standard necessary to defeat a motion to dismiss under Fed. R. Civ. P. 12(b)(6). The Petition for cancellation should be denied.

B. Standard for a Motion to Dismiss Pursuant to Rule 12(b)(6) – Abandonment of Registration No. 3,838,462 & 3,871,084

In order to set forth a cause of action to cancel the registration of a mark based on an allegation of abandonment, a plaintiff must allege ultimate facts pertaining to the alleged abandonment. *See Clubman’s Club Corporation v. Martin*, 188 U.S.P.Q. 455, 456 (T.T.A.B. 1975). The pleading must set forth a prima facie case of abandonment by alleging facts of “at least three consecutive years of non-use or must set forth facts that show a period of non-use less than three years coupled with an intent not to resume use.” *Otto International Inc. v. Otto Kern GmbH*, 83 U.S.P.Q.2d 1861 (T.T.A.B. 2007) (The Board granted Respondent’s motion to dismiss and held that the petitioner provided no facts to support its conclusory allegation of abandonment where the complaint stated, on information and belief, that the respondent has “abandoned use,” without any claims that respondent has “failed to use its mark for a period greater than 3 years”).

The Petitioner’s petition for Cancellation of the Respondent’s marks (No. 3,838,462 & 3,871,084) for Abandonment is meritless, completely lacking any factual basis and cannot factually rise to any standard to support a cancellation and should be denied. In support of the denial for cancellation, Respondent brings forth the *fact* that Respondent was issued an Official USPTO Notice of

Acceptance/Acknowledgement Sections 8 and 15: U.S. Trademark RN 3838462: 5280 of Incontestability of Status by the USTPO on 10/05/2015. (See Ex-8). With the issuing of the Section 8 & 15, Respondent has successfully demonstrated to the Board that it has been using its mark in commerce for (5) consecutive years with actual evidence and proof of use. The Petitioner's claim that the Respondent has abandoned its mark for (3) consecutive years is nothing more than a factually lacking allegation. In regards to the Respondent's second registration for the mark "5280 Realty" Reg. No: 3,871,084, prior to this petition for abandonment filed by Petitioner, Respondent had already successfully filed for Section 8 & 15 Incontestability status providing factual evidence of proof of use in commerce for (5) consecutive years, and was just awaiting final Acknowledgement from the USTPO. (See Ex-12-12a).

In the Respondent's Defense against cancellation for abandonment, the Respondent hereby submits factual evidence of use proving use in Commerce for the past (5) years, noting domain name registrations from the years (2010 through 2015), (3) domain name registrations dating back to the year 2001 as well as several from the years (2002,2004,2005,2006,2007,2008). (See Ex-2-2a). Respondent also hereby submits the factual evidence proving, *first use*, that was submitted to the USTPO substantiating documented '*first use*' proof for both Reg. No.'s (3,838,462 & 3,871,084) in Respondent's Sect 8 & 15 applications. (See Ex-3). As final and overwhelming proof of continual use for the past (5) years, and *Intention for continual use*, and *proving* there has *not* been (3) consecutive years of *non-use* in commerce, Respondent submits Respondent's MLS (Multiple Listing System) listings for the past 3 years. (See Ex-15). Also included as proof are the past (5) years of public advertisements and actual photo images of properties being sold by the Respondent that were submitted with the Sect 8 & 15 applications. (See Ex-12-12a). Respondent has also been active in defending its trademark against infringers within its marketing channels within the past (5) years, with Cease & Desist letters and filing Civil case.(See Ex-14) Although settled outside of court, 5280 Realty, Inc. (Respondent) filed a trademark infringement case in Colorado Federal District Court against a TM Infringer *5280 Realty, Inc. vs. The 5280 Group, LLC & others* (Civil Action No. 1:12-cv-00970-CMA-MJW); Case filed on 04/11/2012 and settled on 05/30/2013. These indisputable facts/evidence prove without a doubt that the

Respondent has not been dormant for any 3 year period between the years 2010-2015.(Ex-12-12a,14 15)

It is literally impossible for the Petitioner to refute the Respondent's factual evidence proving the Respondent's registrations (3,838,462 & 3,871,084) have been used in commerce for at least (5) years. The Board should note as evidence the Respondents' personal and real estate brokerage licenses issued by the Colorado Real Estate Commission showing Respondent has been actively using its real estate license since (2012 through 2015) and '5280' taking on new independent contractor real estate contractor agents, PROVING Respondent's Intention for *CONTINUAL USE* though the year 2018 (See Ex-4 & 5).

The petitioner's grounds for cancellation on the basis of abandonment simply fail for lack of any possibility of producing any substantiating evidence that could refute Respondent's use in commerce of its registrations (3,838,462 & 3,871,084). The Petitioner bears the burden to prove with evidence its claims of abandonment and it becomes evident that Petitioner cannot rise to prove any surmountable triable issue. Accordingly, this Honorable Board should grant Respondent's Motion to Dismiss for failure to state a claim based on abandonment for both of Respondent's registrations (3,838,462 & 3,871,084).

C. Standard for a Motion to Dismiss Pursuant to Rule 12(b)(6) – for Fraud of Registration No. 3,838,462 & 3,871,084

A court must dismiss a petition for cancellation for failure to state a claim for Fraud when the petition fails to establish that a valid ground exists for the cancellation. T.B.M.P. § 503.02. To survive a motion to dismiss, "a complaint must contain sufficient factual matter, accepted as true, to 'state a claim to relief that is plausible on its face'." *Ashcroft v. Iqbal*, 129 S. Ct. 1937 (2009); *Bell Atlantic Corp. v. Twombly*, 550 U.S. 544, 570 (2007); *Fair Indigo LLC v. Style Conscience*, 85 USPQ2d 1536, 1538 (TTAB 2007) (elements of each claim should be stated concisely and directly, and include enough detail to give the defendant fair notice); Fed. R. Civ. P. 8(a)(2); TBMP § 309.03(a)(2). The Trademark Trial and Appeal Board have shown that a claim of fraud for cancellation must be proven by clear and convincing evidence. *See Orient Express Trading Co. v. Federated Dep't Stores, Inc.*, 842 F.2d 650, 653 (2d Cir.1988); *Ushodaya Enter., Ltd. v. V.R.S. Int'l, Inc.*, 63 F.Supp.2d 329, 335 (S.D.N.Y.1999). Furthermore, under Fed. R. Civ. P. Rule 9(b), when alleging fraud, as is the case here, the pleadings must state the circumstances

constituting the alleged fraud with particularity. *See DaimlerChrysler Corp.*, 94 USPQ2d at 1088. The “circumstances” referred to in Fed. R. Civ. P. Rule 9(b) that must be stated specifically are the time, place and contents of the false representations, the facts misrepresented, and identification of what has been obtained for the particular registration at issue in the cancellation. *E. & J. Gallo Winery v. Quala S.A.*, Opposition No. 91186763 (Nov. 7, 2009), *citing W.R. Grace & Co. v. Arizona Feeds*, 195 USPQ 670, 672 (Comm’r Pat. 1977); and *Saks, Inc. v. Saks & Co.*, 141 USPQ 307 (TTAB 1964). Therefore, a pleading, such as that of Petitioner “Crossfit”, that simply recites the elements of fraud in a formulaic manner without setting forth the particularized factual basis for the allegation, does not satisfy Rule 9(b). *See King Automotive, Inc. v. Speedy Muffler King, Inc.*, 667 F.2d 1008, 212 USPQ 801 (CCPA 1981) (“Rule 9(b) requires that the pleadings contain explicit rather than implied expression of the circumstances constituting fraud”).

Fraud in procuring a trademark registration or renewal occurs when an applicant knowingly makes false, material representations of fact in connection with the application, with the specific intent to deceive the PTO. *In re Bose Corp.*, 91 USPQ2d 1938, 1939 (Fed. Cir. 2009); *Torres v. Cantine Torresella S.r.l.*, 808 F.2d 46, 48 (Fed. Cir. 1986). Board precedent requires that the pleadings – and in particular any allegation made upon “information and belief” – must allege sufficient underlying facts upon which the belief is reasonably based, else the pleading is legally insufficient. *See Exegen Corp.* 91 USPQ2d at 1670. Here, Petitioner’s pleading is completely *devoid of any* such underlying evidence and facts, amounting to merely formulaic legal conclusions and baseless accusations. Respondent has *never* intentionally acted in bad faith in its usage representations to PTO. Accordingly the Board should grant Respondent’s Motion to Dismiss for failure to state a claim of Fraud, and dismiss Petitioner’s highly insufficient fraud claim.

Fraud as an accusation is a very heavy burden to lift by Petitioner. It is on the part of the Petitioner making the allegation of fraud *to prove* with overwhelming evidence that a perpetration of fraud has taken place. Petitioner must come to this Honorable Board, with substantiated evidence of fraud that *directly relates to the trademark registrations*, proving that the Respondent purposefully acted with intent to deceive, for Petitioner to be successful in a claim of fraud. A mere accusation with *no* substantiated

evidence presented, *is in itself strong evidence*, which militates in favor of the Respondent in finding no intent. Fraud is a very serious accusation that states Respondent intentionally fabricated deception and possibly incorporated others in its fraud such as a contracted IP Attorney. Fraud as an accusation also is accusatory that the examining Attorney was negligent, in not being able to distinguish an attempted fraud being perpetrated upon the PTO. Respondent questions the validity of the fraud accusation as a whole. The fraud accusation by the Petitioner is void of evidence leading to provable allegations, non-factual statements, and should be stricken by the Board for lack of evidence and *no legal standing* since parties do *not* compete. The Petitioner's accusations of fraud are so vague, over reaching in application of law, and *absent* of relevant substantiated evidence, that the Respondent hereby Moves to Strike the claim of cancellation for fraud. The Respondent should have the allegations of fraud against the Registration (3,838,462 & 3,871,084), denied for lack of cause.

This Honorable Board should now take the following in support of Respondent to deny Petitioners allegations of fraud. Respondent didn't seek the registration of the terms "5280" and "5280 Realty", until many years (8 years), after using the subject terms in public commerce. Once a decision was made to apply for trademark registrations, Respondent relied on the professional highly qualified and competent services of an Intellectual Property Rights attorney, Kendal Sheets, Esq., (See Ex-13). The allegation of fraud is in essence claiming that the Respondent acted in coercion with Kendal Sheets to deceive the PTO, and that the examining attorney was negligent. When in fact, to the contrary, the examining attorney challenged and denied the registration of the term "5280" and presented challenges that Kendal Sheets had to surmount, *before*, the issuing of the registration No. (3,838,462). So there exists standing relevant evidence residing in the USTPO records of the registration that prove that both Kendal Sheets, Esq., acting on behalf of the Respondent, and the examining attorney *did* perform their due diligence and *did not* issue the registered mark, (3,838,462) until *after* the application for registration was un-clouded and objections satisfied. Respondent's pleadings show the antithesis of fraud, and therefore forecloses Petitioner's claim of fraud. The Petitioner has presented no evidence to substantiate this claim of fraud, and is merely relying on baseless allegations and statements such as "On information and belief" as evidence.

It should bring pause to this Honorable Board for the past 15 years of “5280” conducting business and the past five years purposely using and defending its (2) trademarks (“5280 and “5280 Realty”) the *only* complaint or accusation of fraud, now come from the Petitioner. There have been *no* complaints or allegations of mis-conduct, and definitely no fraud, from any of 5280 Realty’s competitors in (15) years of businesses. Petitioner has presented a Civil Case, where Respondent was the Plaintiff defending its mark against an infringer, and where the matter was settled out of court and the Plaintiff/Respondent prevailing and the Defendant/Infringer ceasing infringement actions. Once again, proving Respondent has been using its mark according to its description and baseless accusations failing. Respondent’s direct clients/users of its websites are real estate agents/Realtors whom all work or own real estate brokerages and use the MLS to list every type of real estate/realty. It has been undisputed in (15) years that Respondent has been using its “5280” mark ethically and *never intended* to deceive or fraud the public or PTO with use of its registered marks since its inception of use. In summary, any entity that Respondent directly competes with in the realty/real estate marketing channel, has never filed a single complaint, and definitely no allegations of fraud/mark misuse against Respondent. The Petitioner, “crossfit”, from a completely different marketing channel, which offers generic exercise instruction, is claiming fraud. Tolling a bell, claiming fraud by this Petitioner is like a rancher claiming that a professional fisherman has been pouching deer on the ranchers land. The Petitioner is over reaching in its fraud accusation, the Petition is not plausible on its face, there is no relative evidence or facts presented, and there is no way for Petitioner to be harmed or damaged, since the parties do not compete and are not in competition.

In summary, Petitioner’s fraud claim fails to provide any “explicit . . . expression[s] of the circumstances constituting fraud.” *Asian & Western Classics B.V. v. Selkow*, 92 USPQ2d 1478 (TTAB 2009). It alleges no facts from which the Board could infer that Registrant *knowingly and purposefully* sought to deceive PTO and Board with the registration and use of both of the Respondent’s marks, “5280 and “5280 Realty” in connection with each and every service in the application. The Petitioner has brought forth *no relative* or *substantiated* evidence that could prove that Respondent has acted fraudulently to the PTO with the intent to obtain a registration. The only accusation of fraud, complaint, or any misconduct,

what so ever in 15 years of business, has come now from “Crossfit”, who specializes in exercise instruction, does not reside in the same marketing channels, and has *absolutely no knowledge, experience, dealings, contact, or expertise in the field of real estate* and realty marketing. Respondent and Petitioner are not in competition and have *NEVER* had any communication or business dealings, what so ever. It comes without question to this honorable Board that Petitioner has No Legal Standing and no grounds to qualify themselves as making fraud accusations against another trademark holder that resides in a completely different marketing channel that *does not compete*. There is no material issue of fact that remains to be resolved and accordingly, Petitioner’s fraud claim should be dismissed and cancellation denied.

IV. CONCLUSION: Motion to Dismiss should be Granted as a Matter of Law

The Petition fails to rise to any merit of being a provable bona fide triable claim with substantiated legal standing for cancellation. The Respondent has colored multiple defenses, mainly the fact that entities do not compete. Applying the well-established standards for a triable issue and for the reasons set forth above, Petitioner’s claim for Cancellation based on Abandonment, Fraud, and Merely Descriptive, fails as a matter of law. For the foregoing reasons, Respondent respectfully requests that this Honorable Board grant the Motion to Dismiss for all counts in the Petition for cancellation, and deny the Petition for cancellation in its entirety.

COUNTERCLAIM: Request for Declaratory Judgment – Cancellation and Opposition of Trademark(s) based on marks being Generic and invalidity assigned in gross

1. Respondent incorporates the above noted Counterclaim allegations into the following paragraphs.
2. This Court has the jurisdiction to cancel CrossFit, Inc.’s marks, per 15 U.S.C. §§1119, 1121(a).
3. The “crossfit” mark has become “*generic*” and the “*exercise instruction service mark was invalidly assigned in gross*”. Section 14 of the Trademark Act, 15 U.S.C. § 1064. It has been established that a mark signifying an exercise/exercise instruction is not trademarkable and is unenforceable as a mark, i.e. United States District Court Southern District Of New York- Pilates, Inc. v. Current Concepts, Inc, Opinion 96 Civ. 43 (MGC). This warrants cancellation of CrossFit, Inc.’s Marks and current Serial Applications for Registrations.

4. Respondent Motions/Requests that The Board enter an order cancelling *All CrossFit, Inc.'s Marks* and hereby Opposes the following CrossFit, Inc.'s *Applications for Registrations* that incorporate the use of the unenforceable generic term "crossfit".

5. Respondent Motions/Requests the Board for cancellation of the following Registration No.s: (3,826,111; 4,049,689; 4,053,443; 4,332,239; 3,007,458; 4,122,681; 4,874,681) reasons ¶2-3 above.

6. Respondent hereby Opposes and Motions/Requests cancellation of Serial Applications (85,936,449; 85,792,892; 85,792,895; 86,072,983) reasons ¶2-3 noted above.

This information is provided to you for informational purposes only and is designed to assist persons in determining contents of a domain name registration record in the NeuStar registry database. NeuStar makes this information available to you "as is" and does not guarantee its accuracy. By submitting a WHOIS query, you agree that you will use this data only for lawful purposes and that, under no circumstances will you use this data: (1) to allow, enable, or otherwise support the transmission of mass unsolicited, commercial advertising or solicitations via direct mail, electronic mail, or by telephone; (2) in contravention of any applicable data and privacy protection acts; or (3) to enable high volume, automated, electronic processes that apply to the registry (or its systems). NeuStar reserves the right to modify or change these conditions at any time without prior or subsequent notification of any kind. By executing this query, in any manner whatsoever, you agree to abide by these terms.

mTLD WHOIS LEGAL STATEMENT AND TERMS & CONDITIONS: The WHOIS service offered by mTLD and the access to the records in the mTLD WHOIS database are provided for information purposes only. It allows persons to check whether a specific domain name is still available or not and to obtain information related to the registration records of existing domain names. mTLD cannot, under any circumstances, be held liable in case the stored information would prove to be wrong, incomplete, or not accurate in any sense. By submitting a query you agree not to use the information made available to: allow, enable or otherwise support the transmission of unsolicited, commercial advertising or other solicitations whether via email or otherwise; target advertising in any possible way; or to cause nuisance in any possible way to the registrants by sending (whether by automated, electronic processes capable of enabling high volumes or other possible means) messages to them. Without prejudice to the above, it is explicitly forbidden to extract, copy and/or use or re-utilise in any form and by any means (electronically or not) the whole or a quantitatively or qualitatively substantial part of the contents of the WHOIS database without prior and explicit permission by mTLD, nor in any attempt hereof, or to apply automated, electronic processes to mTLD (or its systems). You agree that any reproduction and/or transmission of data for commercial purposes will always be considered as the extraction of a substantial part of the content of the WHOIS database. By submitting the query you agree to abide by this policy and accept that mTLD can take measures to limit the use of its WHOIS services in order to protect the privacy of its registrants or the integrity of the database.

NeuStar, Inc., the Registry Operator for .BIZ, has collected this information for the WHOIS database through an ICANN-Accredited Registrar. This information is provided to you for informational purposes only and is designed to assist persons in determining contents of a domain name registration record in the NeuStar registry database. NeuStar makes this information available to you "as is" and does not guarantee its accuracy. By submitting a WHOIS query, you agree that you will use this data only for lawful purposes and that, under no circumstances will you use this data: (1) to allow, enable, or otherwise support the transmission of mass unsolicited, commercial advertising or solicitations via direct mail, electronic mail, or by telephone; (2) in contravention of any applicable data and privacy protection acts; or (3) to enable high volume, automated, electronic processes that apply to the registry (or its systems). Compilation, repackaging, dissemination, or other use of the WHOIS database in its entirety, or of a substantial portion thereof, is not allowed without NeuStar's prior written permission. NeuStar reserves the right to modify or change these conditions at any time without prior or subsequent notification of any kind. By executing this query, in any manner whatsoever, you agree to abide by these terms.

NOTE: FAILURE TO LOCATE A RECORD IN THE WHOIS DATABASE IS NOT INDICATIVE OF THE AVAILABILITY OF A DOMAIN NAME.

NOTICE, DISCLAIMERS AND TERMS OF USE:

All results shown are captured from registries and/or registrars and are framed in real-time. ICANN does not generate, collect, retain or store the results shown other than for the transitory duration necessary to show these results in response to real-time queries.* These results are shown for the sole purpose of assisting you in obtaining information about domain name registration records and for no other purpose. You agree to use this data only for lawful purposes and further agree not to use this data (i) to allow, enable, or otherwise support the transmission by email, telephone, or facsimile of mass unsolicited, commercial advertising, or (ii) to enable high volume, automated, electronic processes to collect or compile this data for any purpose, including without limitation mining this data for your own personal or commercial purposes. ICANN reserves the right to restrict or terminate your access to the data if you fail to abide by these terms of use. ICANN reserves the right to modify these terms at any time. By submitting a query, you agree to abide by these terms.

* There is one exception: ICANN acts as the registry operator for the .int TLD, and in that capacity it does collect, generate, retain and store information regarding registrations in the .int TLD.

Based on the information from you or your representative, you must file the following form(s) by the date(s) shown.

We assigned you a tax classification based on information obtained from you or your representative. It is not a legal determination of your tax classification, and is not binding on the IRS. If you want a legal determination on your tax classification, you may request a private letter ruling from the IRS under the guidelines in Revenue Procedure 2004-1, 2004-1 I.R.B. 1 (or superseding Revenue Procedure for the year at issue.)

Re: *Notification of Trademark Infringement on www.5280capitalgroup.com*

Dear Mr. Minnis:

I am writing you as attorney for 5280 Realty, Inc., a Colorado corporation that provides, among other things, real estate brokerage, and real estate listings via the Internet. The purpose of this letter is to demand that you immediately cease and desist from any further improper and infringing uses of the “5280” and “5280 REALTY” registered marks.

5280 Realty, Inc. is the owner of Federal Registration No. 3,383,462 for “5280.” It is registered for use in connection with the providing a database of residential real estate listings including databases over the Internet, real estate brokerage, and real estate listings and provides such information and services through its business. 5280 Realty, Inc. is also the owner of Federal Registration No. 7,7672,394 for “5280 Realty.” It is registered for use in commercial and residential real estate services, providing a database of information about real estate listings, real estate brokerage and multiple listing services and provides such information and services through its business. Collectively these will be referred to as the “5280” marks.

5280 Realty, Inc. has expended and continues to expend a great deal of money, time and effort in, among other things, promoting the “5280” marks throughout the world. 5280 Realty, Inc. takes very seriously its responsibility to protect the “5280” marks. As such, it prohibits and actively polices the improper uses of the mark. A review of the website pages at, for example,

<http://www.5280capitalgroup.com>

<http://twitter.com/5280capital>

and <http://www.youtube.com/user/DenverRE>

illustrate a plurality of improper and infringing uses of the “5280” marks. First, providing unauthorized real estate listings utilizing the “5280” marks and your overt advertisement of “5280” real estate listings and realty services infringe upon the “5280” marks. This conduct is likely to confuse, mislead, and deceive members of the public as to the origin of the products listed in these websites. Second, your use of the “5280” marks unlawfully dilutes the marks and/or conveys sponsorship, affiliation and/or endorsement with 5280 Realty, Inc. We therefore demand that you *immediately* remove any improper or infringing uses of the “5280” marks, including, but not limited to, items from your websites, or any affiliated websites that use the “5280” marks.

As a result of this notice, you have been made specifically aware, even if you were not previously aware thereof, of 5280 Realty, Inc.’s rights, as set forth above. We trust that this notice has made 5280 Realty, Inc.’s position clear with respect to your participation in the improper and unauthorized use of the “5280” marks.

Unless we receive written notification that you have removed all infringing and improper uses of the “5280” marks from the websites and have taken the necessary steps to ensure that there are no uses of the mark that would convey a sponsorship, affiliation and/or endorsement with 5280 Realty, Inc. and its certification programs, by the close of business on **March 18, 2011**, 5280 Realty, Inc. may have no other option but to seek all remedies available to it for your unlawful acts. 5280 Realty, Inc. has many remedies available to it for your unlawful acts, including an injunction against further infringement, attorney’s fees, and monetary damages under the Lanham Act. Please note, however, that the above is not intended to be a complete listing of 5280 Realty, Inc.’s rights, and 5280 Realty, Inc. reserves the right to assert other claims not stated herein. In addition, this should not be construed or considered an approval of or acquiescence to the current websites.

This letter is not intended to and shall not waive or prejudice any rights and remedies that 5280 Realty, Inc. may have at law, in equity or otherwise. Any and all such rights and remedies are hereby expressly reserved.

GREAT home for a small family or as a rental property. The Owners are very private and do not like a lot of traffic to home and want to try and keep the sale as private as possible. This is a small community and this sale is going to be a private one with very limited showings ONLY to proven qualified serious buyers. Extremely desirable because of how well home has been remodeled and the rent ability. This home can be easily rented because it is the same size of an apartment with a yard, outside storage, privacy, and easy access for a very affordable price and high net return on this income property. Super clean 2 bedroom and 1 full bathroom, but has a totally remodeled Kitchen with great appliances. Owner is finishing up some items like installing gutters and cleaning up trim. Newer roof and water heater. Owner may install a new furnace as well. Excellent opportunity for 1st time buyers in this challenging market. Really Nice small home... way better than renting! Must See it!!

Public Remarks

Amazing Home in Brighton East Farms shows like a Model Home. Home was built with every upgrade including 12" tile and Granite counter tops throughout, kitchen and bathrooms. Pride in ownership is reflected the minute you walk into this show home; you will fall in love with the open layout and all the upgrades. You will have to see to believe this exceptional home because pictures don't do it justice. 5-piece master bathroom is just one of the beautiful upgrades. If you are looking at new homes in the area you will need to see this home first because it is barely lived in and literally shows better than some of the new homes that are considerably more expensive. Move in Ready... Don't wait to see it because this home will not make it past this weekend, It's That Nice!!
