Ellen Yowell, Paralegal Specialist:

The stipulated motion filed August 18, 2016 to suspend this proceeding for 6 months, and conditional stipulated dismissal is noted.

The parties request suspension of this proceeding for 6 months for consideration of a consent agreement that has been submitted in Petitioner's Application Serial No. 86585995. Proceedings herein are suspended as set forth in the motion.

Within twenty days after a decision with respect to the consent agreement submitted in Petitioner's application, the parties should notify the Board so that this case may be called up for appropriate action.

In the event that there is no word from either party concerning the status of Petitioner's application, proceedings shall resume without further notice or order from the Board upon the schedule set forth in the motion.

In each instance, a copy of the transcript of testimony, together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rules 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.¹

¹ If the parties are (or during the pendency of this proceeding become) parties to another proceeding involving the subject registration, the parties must notify the Board so the Board can consider whether consolidation or suspension of proceedings is appropriate.
