Petitioner's consented motion filed July 21, 2016 to further suspend this proceeding for 180 days is granted.<sup>1</sup> See Trademark Rules 2.117(c) and 2.127(a).

In its motion, Petitioner indicates that the parties have settled their dispute, and requests suspension pending consideration of an amendment to a separate pending application.

In the event that there is no word from either party, proceedings shall resume without further notice or order from the Board upon the schedule set forth in Petitioner's motion.

---

<sup>1</sup> The Board acknowledges that Petitioner included proof of service that it forwarded a copy of the motion to Respondent. However, the address on the certificate of service is not Respondent's current address of record. A copy of the motion may be viewed using TTABVUE at <http://ttabvue.uspto.gov>. Respondent is advised that if it wishes to update its address of record, it may file a change of correspondence address using the Electronic System for Trademark Trials and Appeals (ESTTA) at: <http://estta.uspto.gov/>.

In each instance, a copy of the transcript of testimony, together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rules 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.<sup>2</sup>

---

<sup>2</sup> If the parties are (or during the pendency of this proceeding become) parties to another proceeding involving the subject registration, the parties must notify the Board so the Board can consider whether consolidation or suspension of proceedings is appropriate.
