Go Daddy

This document is in regards to the deal negotiation per conference due by Oct. 9. 2016. All participating partners may call (916) 558-7514. Participate code 840445#. I also would like for an attorney with The United States Patent and Trademark Office to be available on 10.4.2016. Please note the conference will be recorded if all parties agree. (Please note I did not agree to communicate with Nicole Murray/Go Daddy through email and I'm also still getting mail from 3890 Orange Street dated after 8.15.2016 so why would the post office be sending certain mail back instead of all my mail. I believe they are trying to prevent the conference from happening until then I will continue to get the information I need to prove my claim although we all know that Bob Parson was working for The United States Patent and Trademark Office during the time I was trying to protect my idea or he would have wrote me back stating he was not an employee at the USPTO when I wrote Go Daddy a few times regarding this issue before filing the Petition of Cancellation and Nicole Murray Representative for Go Daddy has not wrote to tell Bob Parson was not an employee at the USPTO. I think we all know he was an employee at the USPTO and I am still waiting for Dora Best to respond to an investigation rather Bob Parsons was an employee at The USPTO in 1997-1998.) I also believe Nicole Murray is lying about undeliverable address and returned mail because the motion dated for 9.7.2016 and it get returned from 3890 Orange Street Riverside California 92501 with in a 3-day period. This has cause a financial hardship on myself and my family my children and I have been displaced and I am seeking damages in the amount of \$1 Billion in damages USD) I would also like to amend the filing from Fraud on USPTO to Immoral or scandalous matter regarding Go Daddy/Bob Parson because he was working for The United States Patent and Trademark Office between 1997-1998 when I was
