Yong Oh (Richard) Kim, Interlocutory Attorney:

Proceedings herein are **SUSPENDED** pending disposition of the several discovery-related motions filed by Petitioner, except as discussed below. The parties should not file any paper which is not germane to the motions. *See* Trademark Rule 2.120(e)(2).

Neither the filing of these discovery motions nor this suspension order tolls the time for parties to make required discovery disclosures, or to respond to any outstanding discovery requests which had been served prior to the filing of the motions, nor does it excuse a party's appearance at any discovery deposition which had been duly noticed prior to the filing of the motions. *See* Trademark Rule 2.120(e)(1); TBMP § 523.01.

The motions will be decided in due course.
