Civil Action Information Request

It has come to the Board's attention that the parties to this cancellation proceeding may be involved in a civil action filed by Respondent. In view thereof, Respondent is allowed until **October 4, 2016**, in which to provide the Board with the status of, and a copy of the operative complaint (without exhibits) from, the civil action. If any answer, counterclaim, or counterclaim answer has been filed in the civil action at the time Respondent responds to this order, Respondent should also provide a copy of such pleading. Upon review of the pleadings from the civil action, the Board will determine whether to suspend this Board case pending disposition of the civil action. *See* Trademark Rule 2.117(a) and TBMP § 510.02(a) (2016).

Suspension

Proceedings are **suspended** pending a response to this order.
