PETITION TO CANCEL

Petitioner, Murray Owen LLC (hereinafter, “Petitioner”) is a limited liability company organized in the state of Idaho, with an address of business at 2234 N Greenview Ct. Eagle, Idaho United States 83616. Petitioner believes it is being damaged by Registration No. 4872601 for ROCKET NEWS24 (and design) covering “Advertising and marketing services; providing space, namely, leasing of advertising spaces; or billboards; online advertising and marketing by way of computer networks; analysis of business data; planning and agency of sales promotion and advertising, namely, advertising agencies; providing advertising and business information relating to sales promotion and advertising; providing advertising information relating to promotion of product sales and rendering of promotion services; advising services relating to promotion of product sales and promotion of rendering services; business consultation with respect to advising and providing information relating to business; business research and analysis, and business evaluation of the business management of companies; and providing business information relating to the result of research, analysis, and evaluation of business management of companies; business consultation regarding the advertising, business strategies, business prospects and market research; business consulting relating to analysis, understanding and prediction of the market

trend and consumer behaviors and motivation; business consulting relating to user tracking for the purpose of providing guidelines for business strategy, business prospects, and market research and analysis, understanding and prediction of the market trend and consumer behaviors and motivation” in International Class 035 and “Providing a website featuring blogs and non-downloadable articles in the fields of entertainment, comics, animation, household electric appliances, sports, leisure, hobbies, local information, lifestyle, politics, economy, environment, culture, international situations, science and technology, and business; providing a website featuring non-downloadable publications in the nature of newspapers and magazines in the field of entertainment, comics, animation, household electric appliances, sports, leisure, hobbies, local information, lifestyle, politics, economy, environment, culture, international situations, science and technology, and business; providing online non-downloadable electronic publications in the nature of news articles in the fields of entertainment, comics, animation, household electric appliances, sports, leisure, hobbies, local information, lifestyle, politics, economy, environment, culture, international situations, science and technology, and business; services of reference libraries for literature, book rentals and documentary records, namely, libraries; rental of records or sound-recorded magnetic tapes, namely, rental of phonographic and music recordings; rental of image-recorded magnetic tapes, namely, rental of video tapes and motion pictures; planning arrangement of showing of performances, namely, entertainment services in the nature of live visual and audio performances by an actor” in International Class 041 and hereby petitions to cancel the registration of said mark.

As grounds in support for this Cancellation, Petitioner alleges the following:

1. Upon information and belief, the name of the current owner of the registration is SOCIO CORPORATION with an address of 6-52-11 Higashioizumi, Nerima-ku Tokyo JAPAN (“Respondent”).

2. Petitioner is the owner of U.S. Application Serial No. 87062804 for the mark ROCKETNEWS covering “Online news aggregation website featuring commercial editorials and articles in the field of top news around the world” in International Class 038, with a filing date of Jun. 07, 2016 and a first use in commerce date of May 18, 2001 (“Petitioner’s ROCKETNEWS Mark”).
3. On Sep. 19, 2016, the United States Patent and Trademark Office issued an Office Action for Petitioner’s Application Serial No. 87062804 stating, *inter alia*, Registration of the applied-for mark is refused because of a likelihood of confusion with the mark(s) in U.S. Registration No(s). 4872601 Trademark Act Section 2(d), 15 U.S.C.A. § 1052(d); *see* TMEP §§ 1207.01 et seq.

COUNT I: PRIOR COMMON LAW USAGE

4. Petitioner and its predecessors have, for many years and since long prior to any date of first use upon which Registrant can rely, has adopted and continuously used Petitioner’s ROCKETNEWS Mark as a trademark for the services specified in Application Serial No. 87062804.
5. Petitioner has significant common law interest and rights in and to Petitioner’s ROCKETNEWS Mark as trademark for the services specified in Application Serial No. 87062804 and for the provision of news, which has been in use by Petitioner in interstate commerce since at least as early at Dec. 1, 2001.
6. Petitioner has used Petitioner’s ROCKETNEWS Mark in connection with an online news website and aggregator, under the domain address www.rocketnews.com, since at least as early as December 2001, as shown on attached Exhibit A.
7. Upon adoption and first use of its nearly identical mark, Respondent was undoubtedly aware of Petitioner’s earlier used domain name fully incorporating Petitioner’s ROCKETNEWS Mark, and was undoubtedly aware of Petitioner’s earlier use of Petitioner’s ROCKETNEWS Mark.

8. Notwithstanding Petitioner's prior rights in Petitioner's ROCKETNEWS Mark, Respondent adopted and put into use the nearly identical ROCKET NEWS24 (and design) mark in connection with identical, overlapping and related services, and filed U.S. Application Serial No. 85889191 which matured into Registration No. 4872601 for Respondent's ROCKET NEWS24 (and design) mark.
9. Respondent's Application Serial No. 85889191 was filed on March 28, 2013 under Section 44(e) based on foreign registrations from Japan with filing dates and registration dates no earlier than 2012.
10. Registrant's ROCKET NEWS24 (and design) mark, as shown in Registration No. 4872601, is confusingly similar in sight, sound, and commercial impressions to Petitioner's previously used ROCKETNEWS Mark.
11. The services identified in Respondent's Registration No. 4872601 are identical or closely related to the services with which Petitioner's ROCKETNEWS Mark has previously been used.
12. Respondent's ROCKET NEWS24 (and design) mark, when used in connection with the services identified in Respondent's Registration No. 4872601, so resembles Petitioner's previously used ROCKETNEWS Mark as to be likely to cause confusion, mistake or deception within the meaning of Section 2(d) of the Trademark Act, 15 U.S.C. § 1052(d), with consequent injury to Petitioner, the public, and the trade.
13. There is no issue as to priority. Petitioner began using Petitioner's ROCKETNEWS Mark at least as early as December 2001, a date far earlier than any priority date upon which Respondent can rely.
14. If Respondent's ROCKET NEWS24 (and design) Registration No. 4872601 is allowed to be maintained, Petitioner will be damaged in Petitioner's application for registration of Petitioner's ROCKETNEWS Mark is being blocked by Respondent's registration, and any subsequent

applications by Petitioner for federal trademark registration of ROCKETNEWS are likely to be refused by the Trademark Office due to the similarity of the marks and the relatedness of the respective parties' services.

15. Given Petitioner's longstanding and prior trademark rights in and to the ROCKETNEWS mark for online news aggregation website featuring commercial editorials and articles in the field of top news around the world, any federal trademark registration for ROCKET NEWS24 (and design), conferring exclusive, nationwide rights, would be improper and would interfere with Petitioner's prior rights.

PRAYER FOR RELIEF

WHEREFORE, Petitioner prays that Registration No. 4872601 be cancelled as it relates to the services for which it is registered.

The filing fee of \$300 per class for this Petition to Cancel is being submitted electronically with this Petition.

Petitioner hereby appoints Jackson MacDonald, of the law firm of BreanLaw, LLC, member of the Oregon bar, as its attorney with full power of substitution and revocation, to prosecute this cancellation proceeding, and to transact all business in the U.S. Patent and Trademark Office in connection herewith.

Dated: October 6, 2016

Cloning News

Reported cloning condemned

Published Monday November 26 2001 8 29 a.m. EST Reported cloning condemned SPEAK OUT Should human cloning be banned outright Or should there be allowances for stem cell research Tell us what you think. STORY TOOLS SITE TOOLS By JEFF DONN The Associated Press BOSTON A research company's claim that it has cloned the first human embryo has drawn swift opposition from anti-abortion and political leaders who see it as a step toward cloning human beings.

The News & Observer North Carolina News, December 1, 2001

New Zealand News - World - Remaking us in our own image - the cloning debate

Scientists are progressing apace but the successful cloning of humans still looks to be a long way off writes STEVE CONNOR. The creation of an embryonic human clone that develops normally and lives for at least 14 days in the laboratory the legal limit in Britain for normal test-tube babies would rival some of the greatest scientific breakthroughs.

New Zealand Herald World News, December 1, 2001

Is there anything we shouldn't patent?

As the renewed debate about human cloning swirled around him the man who sparked it defended himself against criticism of his motives. Michael West president of the Massachusetts-based research firm Advanced Cell Technology said he did not announce a breakthrough last Sunday in order to get a jump on competitors.

The Globe and Mail, December 1, 2001

History's embryo moment

History's embryo moment Linda Chavez ♦♦♦♦♦A hundred years from now the big story out of 2001 may not be the attack on the United States or the war in Afghanistan but what happened in a petri dish in Worcester Mass. For a few hours three human embryos that had been created from single human cells taken from an adult man and infused into human eggs survived.

The Washington Times, December 1, 2001

Cloning Panic

Saturday December 1 2001 Any step however small toward the scary goal of cloning human beings touches off an understandable frenzy. This week's news of progress toward therapeutic cloning the cloning of human cells that might aid medical therapies as opposed to create human babies followed the pattern.

International Herald Tribune Opinion, December 1, 2001

Bush Makes No Sense on Cloning

Michael Kinsley Saturday December 1 2001 REDMOND Washington. If you re thinking about having a child through in vitro fertilization IVF you might want to check out a cheery helpful Web site healthfinder.gov. This free guide is produced by the U.S. Department of Health and Human Services which seems to regard IVF as some sort of human service.This
