Fertitta Hospitality, LLC

v.

Fertitta Business Management LLC

Ellen Yowell, Paralegal Specialist:

Registrant's consented motion, filed August 5, 2020, to further suspend this proceeding for 60 days is granted.

The parties are reminded that any future motion to extend or suspend must be accompanied by a detailed report. The report must set forth what progress the parties have made towards settlement during the previous period of suspension or extension. Absent such a report, any future motion to extend or suspend may not be approved, even though agreed to by the parties.

If, during the suspension period, either of the parties or their attorneys have a change of address or email address, the Board should be so informed.¹ *See* Trademark Rule 2.18(b)(1).

In the event that there is no word from either party concerning the progress of their negotiations, proceedings shall resume without further notice or order from the Board, upon the schedule set forth below.

The Board requires each submission to meet the following criteria before it will be considered: 1) pages must be legible and easily read on a computer screen; 2) page orientation should be determined by its ease of viewing relevant text or evidence, for example, there should be no sideways or upside-down pages; 3) pages must appear in their proper order; 4) depositions and exhibits must be clearly labeled and numbered – use separator pages between exhibits and clearly label each exhibit using sequential letters or numbers; and 5) the entire submission should be text-searchable. Additionally, submissions must be compliant with Trademark Rules 2.119 and 2.126.
