v.

ANTONE'S IMPORT COMPANY

Elizabeth A. Dunn, Attorney:

The Board has not received the settlement papers to which Antone's Import Company refers in its papers filed August 22, 2005 and September 19, 2005.

The Board notes that Po-Boyz, Ltd. filed a motion to dissolve this proceeding because all involved applications and registrations had been assigned to a single party, and that this motion has been pending since June 14, 2004.

Antone's Import Company is ordered to file either the referenced settlement papers, with proof of its entitlement to a filing date before August 22, 2005, or its response to the motion to dissolve, within 20 days of the mailing date of this order.
