v.

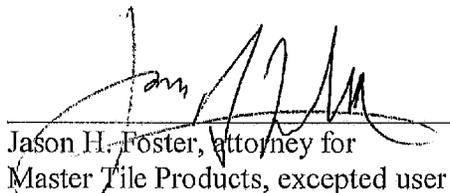

MASTER TILE PRODUCTS, INC.

The concurrent use applicant and the excepted user (Master Tile Products) stipulate to a third extension of time of two months for the excepted user to answer. The original date by which an answer was to be filed was August 16, 2005. This was extended to October 16, 2005 by stipulation and then to December 16, 2005 by a second stipulation. The new date by which an answer must be filed is February 16, 2006. The extension of time will give the parties additional time to negotiate a settlement.
