Opposition No. 94002567

John W. Hill, III

v.

The Mattress Source, Inc.

Denise M. DelGizzi, Technical Program Manager:

On November 25, 2013, proceedings herein were suspended to allow the parties time to inform the Board if they wished to suspend proceeding until concurrent use application Serial No. 85622222 was either abandoned or cleared the publication period to allow it to be added to this proceeding, or to otherwise, conclude this proceeding to allow application Serial No. 85352473 to issue into a concurrent use registration. No word has been received from either party.

Concurrent Use No. 94002566 and 94002567

A review of the record of application Serial No. 85622222 reveals that on November 11, 2014, application Serial No. 85622222 was published in the Official Gazette and has passed the opposition period.

In view thereof, proceedings are resumed, application Serial No. 85622222 is added to this proceeding, and the matter is submitted for a decision on the parties' June 25, 2013 settlement agreement. A decision will be rendered in due course.
