1461/0314 ("Potential Opposer"), a Missouri limited partnership, located at 250 Stadium Plaza, St. Louis, Missouri 63102, by and through its attorneys undersigned, hereby requests that the time for filing a Notice of Opposition to the above identified application be extended for a period of sixty (60) days up to and including **June 6, 2003**.

The parties request this additional extension as the parties are continuously and vigorously engaged in productive negotiations in an effort to reach a worldwide settlement of this matter, which the parties believe will be achieved with further negotiation. The proposed settlement involves a license of this and other marks which are also the subject of potential oppositions. Due to the complexity of the issues involved in the proposed settlement, negotiations have been protracted though all parties are committed to reaching a settlement. Potential opposer is currently reviewing applicant's redraft of the proposed settlement agreement. Pursuant to Trademark Rule 2.102(c)(2), Applicant's counsel, Michael Elbein, consented to this request in a telephone conference.
