limited partnership, located at Busch Stadium, St. Louis, Missouri 63101, by and through its attorneys undersigned, hereby requests that the time for filing a Notice of Opposition to the above identified application, due June 11, 2002, be extended for a period of sixty (60) days up to and including **August 10, 2002**.

Pursuant to Trademark Rule 209.03 the parties request this additional extension as the parties are continuously and vigorously engaged in productive negotiations in an effort to reach a worldwide settlement of this matter, which parties believe can be achieved if negotiations are allowed to continue. The proposed settlement involves a license of this and other marks which are also the subject of potential oppositions. Due to the complexity of the issues involved in the proposed settlement, negotiations have been protracted though the parties are committed to reaching a settlement. We believe this additional extension is warranted and that the Opposer has demonstrated good cause for the need for an additional extension. Pursuant to Trademark Rule 2.102(c)(2), Applicant's counsel, Michael Elbein, consented to this request in a telephone conference on June 3, 2002. Opposer attaches proof of service in accordance with this rule.

It is submitted that Opposer has shown good cause for this request and respectfully requests that the extension be granted.
