The request for further extension of time to oppose filed **April 2, 2002** on behalf of **Hardy & Powell Enterprises Ltd.** is noted.

The record in the application file reveals that the mark was published for opposition purposes on **April 11, 2000**. Since that time, potential opposer has been granted **9** extensions of time to oppose, totalling approximately **24** months, in which to negotiate settlement. It would appear that more than enough time has been allowed for this purpose.

Nevertheless, in order to assist the parties in reaching an accord, the instant request is granted. Accordingly, **Hardy & Powell Enterprises Ltd.** is allowed until **8/12/02** in which to oppose the registration sought by applicant.

However, in the absence of a showing of extraordinary circumstances, no further extension of time will be approved.
