The application was published in the Official Gazette of December 1, 1998.

Since the last request for extension, Applicant has executed an Agreement resolving all issues related to the application and forwarded that Agreement to potential opposer for signature. That Agreement requires Applicant to amend the application. This additional extension is required in order to allow potential opposer to execute the agreement and return a copy to Applicant, for Applicant to amend its application and for the Patent and Trademark Office to act upon that amendment.

Consent for this extension was obtained in a telephone conversation with applicant's attorney Michael Burke.

This Request is submitted in triplicate, as required by 37 C.F.R. § 2.102(d).

Dated: August 2, 2001

Respectfully submitted,
