This extension of time is requested pursuant to a stipulation of counsel for Applicant and counsel for Petitioner, who conferred by telephone on December 15, 2003, and agreed that an extension of time was necessary for the parties to either complete an amicable resolution of this matter, or otherwise proceed with the filing of a Notice of Opposition. The parties are currently in the process of considering a means for resolving this matter. A sixty (60) days' extension is requested because Petitioner realistically believes that the resolution of this matter cannot be completed within a shorter period of time.

Accordingly, favorable action on this request is respectfully urged.

Respectfully submitted,

John L. Sullivan, Jr.  
Attorney for Petitioner
