APPLICANT'S REQUEST FOR CORRECTION

Applicant hereby brings to the attention of the Trademark Trial and Appeal Board a typographical error on page 11 of Applicant's Brief In Support of Registration on the Principal Register filed with the Trademark Trial and Appeal Board on January 21, 2003.

"If the mark sought to be registered has multiple applicable meanings, with any one meaning being suggestive **and** merely descriptive in the context of the identified goods or services, the mark is registrable."

The word "not" was omitted from the sentence above. The sentence should read,

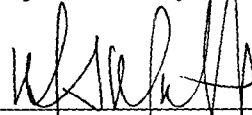

"If the mark sought to be registered has multiple applicable meanings, with any one meaning being suggestive **and not** merely descriptive in the context of the identified goods or services, the mark is registrable."

Please feel free to contact the undersigned if there are any questions regarding the above.

Respectfully submitted,
