**FIFTH REQUEST UNDER 37 C.F.R. § 2.102  
FOR EXTENSION OF TIME FOR FILING AN OPPOSITION  
WITH CONSENT OF APPLICANT**

1 Sir:

2 Wright Medical Technology, Inc. (a Delaware Corporation), having a principal place  
3 of business at 5677 Airline Road, Arlington, Tennessee 38002-9501, requests that the time  
4 for filing a Notice of Opposition to the above-captioned application be extended for an  
5 additional one (1) month with consent of Applicant, up to and including April 14, 2002. This  
6 extension of time is in addition to the previously-requested extensions of time to oppose.

7 Applicant and potential opposer are engaged in discussions that will hopefully settle  
8 this matter without the necessity of an opposition proceeding. Applicant, by and through its  
9 counsel in Munich, Germany, Dr. Roberto Kunz-Hallstein, Esq., has consented to this  
10 additional extension of time by email to potential opposer's undersigned attorney on March  
11 14, 2002, from Applicant's said counsel. This additional extension of time is needed because  
12 potential opposer has executed a consent agreement document and has sent that agreement to  
13 Applicant's counsel in Munich, Germany, for execution by Applicant. Potential opposer

1 remains hopeful that this case will be settled upon execution of the agreement by Applicant  
2 without initiation of an opposition proceeding.

3 *Two duplicate copies of this request are attached, as required.*

4 Respectfully submitted,

5 WRIGHT MEDICAL TECHNOLOGY, INC.
