Dear Madam:

At this time, Master Lock Company, a Delaware corporation, with a place of business at 2600 North 32nd Street, Milwaukee, Wisconsin 53210, continues to believe that it would be damaged by registration of the above-identified mark. An extension of time of 30 days, to and

including May 23, 2003, is hereby requested to file a notice of opposition in the above-identified matter. The additional time is necessary for the parties to discuss and consider resolution of this matter. On April 21, 2003, Applicant's counsel, John Snodgrass, Esq., consented via telephone, on behalf of Applicant, to this extension of time. This consented extension of time is requested to permit the Potential Opposer and Applicant time to continue to work on a resolution. If the parties are unable to resolve this matter, this consented extension of time is necessary to allow Potential Opposer an opportunity to prepare and file a formal notice of opposition.

In continuing response to requirement included in the notice of grant of a request for extension of time, mailed May 9, 2002, Potential Opposer submits the following as a detailed explanation reciting the progress the parties have made toward resolving this matter. Although none of the documentation has been enclosed herewith, Potential Opposer would gladly submit, upon request of the Examiner, any of the documentation mentioned below to evidence the parties process.

On February 25, 2002, Counsel for Potential Opposer mailed a letter to Applicant's Counsel with a set of proposed settlement terms. On April 12, 2002, Applicant's Counsel contacted Counsel for Potential Opposer to and agreed to all but one of the proposed settlement terms, namely proposition #7. On April 26, 2002, Counsel for Potential Opposer proposed a new set of terms for the settlement, amending only proposition #7. Counsel for Potential Opposer requested an extension of time on April 29, 2002 as Applicant's Counsel was on vacation, and therefore only agreed to another extension of time. On May 13, 2002, Counsel for Potential Opposer contacted Applicant's Counsel regarding the counterproposal terms; and again on May 21, 2002. On May 28, 2002 Applicant's Counsel responded that Applicant were reviewing the counterproposal, and that Applicant consented to an additional extension of time. On June 27,

2002 Applicant's counsel sent correspondence to Counsel for Potential Opposer confirming that Applicant was still reviewing the proposed settlement terms and agreed that a further extension of time should be requested. On July 22, 2002 Potential Opposer sent correspondence to Applicant's counsel requesting the status of Applicant's review of the proposed settlement agreement. On July 23, 2002, Applicant's counsel forwarded a revision of the final pending provision of the proposed Agreement.

The Parties have prepared an Agreement; however, signed copies of the Agreement have not been exchanged. As such, an additional thirty days is hereby requested to preserve Opposer's rights.

This request is submitted in triplicate in accordance with 37 C.F.R. §2.102(d).

Respectfully submitted,

Date: _____
