AGREED REQUEST FOR EXTENSION OF OPPOSITION PERIOD

NOW COMES Potential Opposer, GOULDS PUMPS, INCORPORATED, by its attorneys; and hereby requests an additional two (2) calendar month extension from the present close of the opposition period, **to and including February 13, 2006** (February 11, 2006, being a Saturday), within which to conclude the settlement of this matter, and a number of related potential opposition matters, by obtaining the formal execution by the parties of the agreed Settlement Agreement..

Since the date of the prior extension, there have been written and oral communications between counsel regarding the finalizing of the language for the Settlement Agreement of this matter. Based upon this progress in the settlement of this potential opposition and the number of related potential

oppositions, it now appears to counsel for both parties that settlement has been achieved, with the only remaining matter being the formal execution of the Settlement Agreement on behalf of the respective clients. Significant delays in the resolution of proceedings were earlier involved due to the complexity of a number of related oppositions, a change of ownership of the Applicant, a lengthy illness of prior counsel for the earlier Applicant corporation, and a variety of other factors, but counsel for the parties are pleased to report that with this final requested extension of two months, the parties should be able to conclude this matter with the formal execution by the parties of an agreed settlement papers. Counsel for the parties appreciate the patience extended by the Board on this matter which has permitted time for the parties to work through reaching a settlement despite the complications which previously arose.

Counsel for the Applicant has provided telephone approval for this extension.

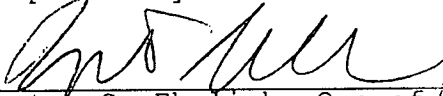

This extension is not for the purpose of delay and is being submitted in triplicate.

Based upon the agreed extension and what appears to be the final extension of time, for the formal execution of the

settlement papers by the respective clients, it is requested that this two (2) month extension be permitted.
