**AGREED REQUEST FOR EXTENSION OF OPPOSITION PERIOD FOR  
APPARENT FINAL EXTENSION FOR ALLOWING EXECUTION OF DOCUMENTS**

NOW COMES Potential Opposer, GOULDS PUMPS, INCORPORATED, by its attorneys, and hereby requests an additional two (2) calendar month extension from the present close of the opposition period, **to and including April 13, 2006**, within which to conclude the settlement of this matter, and a number of related potential opposition matters, by obtaining an exchange between the parties of formal executed copies of the agreed Settlement Agreement.

Since the date of the prior extension, the parties believe they have now reached a final settlement of this matter and of the number of related opposition matters and that the only remaining matter is the signing and exchange between the parties of executed settlement papers. A final revision was necessitated based upon the factual situation, but with this final revision, which delayed the execution of settlement papers, the parties now

02-17-2006

believe they have fully reached a comprehensive settlement of this matter, and the related potential opposition matters. Significant delays in the resolution of proceedings were earlier involved due to the complexity of a number of related oppositions, a change of ownership of the Applicant, a lengthy illness of prior counsel for the earlier Applicant corporation, and a variety of other factors, but counsel for the parties are pleased to report that with this final requested extension of two months, the parties should be able to conclude this matter with the formal execution by the parties of an agreed settlement papers. Counsel for the parties appreciate the patience extended by the Board on this matter which has permitted time for the parties to work through reaching a settlement despite the complications which previously arose.

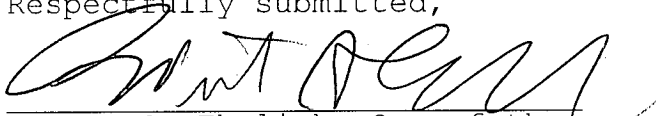

Counsel for the Applicant has provided telephone approval for this extension.

This extension is not for the purpose of delay and is being submitted in triplicate.

Based upon the agreed extension and what appears to be the final extension of time, for the formal execution of the settlement papers by the respective clients, it is requested that

this two (2) month extension be permitted to obtain signatures and exchange the signed agreement.

Respectfully submitted,

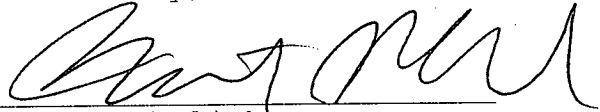

Burton S. Ehrlich, One of the
