George Woods, Legal Assistant:

The request for extension of time to oppose filed February 6, 2004, on behalf of GOULDS PUMP INC. is noted.

The record in the application file reveals that on October 17, 2003, the Board suspended proceedings in this case.

Accordingly, the subject request will not receive any consideration, and it is suggested that appropriate action be taken to avoid the filing of further requests for extension of time to oppose during the suspension period.
