George Woods, Legal Assistant:

The record in this case now shows that on March 5, 2004, the Commissioner cancelled the registration which inadvertently issued to applicant, namely Registration No. 2,731,019, and restored the application to pending status as application Serial No. 75830677.

In view thereof, proceedings with respect to the potential opposition are resumed. Accordingly, potential opposer, GOULD PUMPS INCORPORATED, is allowed until June 3, 2004, in which to file an opposition to the registration sought by applicant.
