In order to correct an inadvertence, the Board's order issued on March 11, 2003 inadvertently cited potential opposer as not having timely filed either an opposition or a request for further extension of time to oppose which, potential opposer, **Starz Encore Group LLC**, did in fact timely file a request for an extension of time.

Pursuant to a request for extension of time to oppose granted **January 15, 2003**, the potential opposer herein, **STARZ ENCORE GROUP LLC**, has been allowed until **3/12/03** in which to file an opposition to this application. Inasmuch as the filing of the amendment occurred prior to the expiration of potential opposer's extension of time to oppose, the filing of the amendment served to suspend the running of the extension period.

After the Examining Attorney has acted on the amendment, either by approving it for entry or by telephoning the applicant, explaining why the amendment cannot be approved, and placing a record of the telephone call in the file, the application should be returned (through the Photocomp Coordinator at the Publication and Issue Section) to the Board; proceedings with respect to the potential opposition will be resumed; and further appropriate action will be taken with respect thereto.
