The request for further extension of time to oppose filed **August 02, 2001** on behalf of **Silicon Graphics, Inc.** is noted.

The record in the application file reveals that the mark was published for opposition purposes on **December 05, 2000**. Since that time, potential opposer has been granted **8** extensions of time to oppose, totalling approximately **9 1/2** months, in which to **negotiate a settlement**. It would appear that more than enough time has been allowed for this purpose.

Nevertheless, in order to assist the parties in reaching an accord, the instant request is granted. Accordingly, **Silicon Graphics, Inc.** is allowed until **September 30, 2001** in which to oppose the registration sought by applicant.

**However, unless it is indicated that settlement has been reached and nothing remains except formal execution, no further extension of time will be approved.**
