POST PUBLICATION AMENDMENT UNDER 37 C.F.R. § 2.84

Sir:

In the above application, which was published for opposition on January 21, 2003, please amend the current description of services in International Classes 35, 36 and 42 by deleting the services in International Class 36 in their entirety.

REMARKS

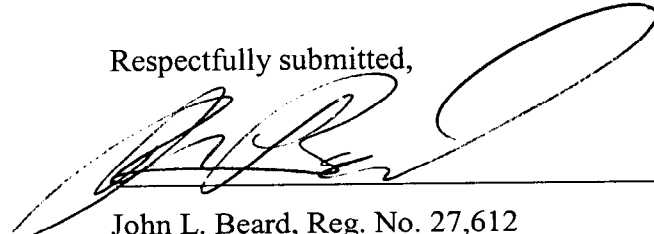

The foregoing Amendment deletes the Class 36 services in their entirety, and is being filed pursuant to a Settlement Agreement with a potential Opposer, who has agreed not to oppose this application if this Amendment is entered.

It is respectfully submitted that since this Amendment deletes the description of Class 36 services, and thus is a narrowing amendment, it may entered without republication.

Respectfully submitted,

Date:
