A review of the file reveals that in a letter dated September 3, 2002 the Board inadvertently suspended proceeding pending cancellation of Registration No. 2,551,885. On October 18, 2002, the Board resumed the proceedings in this case and allowed potential opposer, Sunnen Products Company, until November 17, 2002 in which to file an opposition to the registration sought by applicant. This error is regretted.

Potential oposer's time to file a notice of opposition expired on February 18, 2002, a time subsequent to the file maturing into Registration No. 2,551,885. There is no record of a notice of opposition being filed. In view thereof, the Board's letters dated September 3, 2002 and October 18, 2002, are hereby vacated. Potential opposers time for filing a notice of opposition has expired.

Accordingly, the file is being sent for further processing towards issuance of registration.
