Tina Craven, Legal Assistant:

The request for further extension of time to oppose filed January 22, 2003 on behalf of Xenotech, Inc. is noted.

In the Board's letter dated December 10, 2002, Xenotech, Inc., potential opposer, was advised that no further extension would be granted in the absence of a showing of what progress the parties have made toward resolving this matter. However, the extension request filed on January 22, 2003 does not include the required showing.

In view thereof, the request for further extension is hereby denied. Any subsequent request to extend which may have been filed by potential opposer is moot and will not receive any consideration.
