**AMENDMENT**

Applicant Xenogen Corporation hereby requests that the identification of services in this application be deleted in its entirety and the follow substituted therefor:

International Class 37: installation, maintenance and repair of light imaging systems

International Class 42: leasing light imaging systems; research services for others in the field of drug discovery, compound screening, target selection, target validation, and drug efficacy; consulting services, namely, assisting others in the development and implementation of animal models; technology licensing services in the fields of biotechnology and light imaging; and providing online databases and databases accessible by a global computer network in the fields of image acquisition, image processing, image analysis, image archival, image retrieval, genomics, proteomics and informatics

The amendment deletes Class 35 in its entirety.

If the Board accepts the proposed amendment, prospective opposer, Xenotech, Inc., will not oppose this application.
