The request for an extension of time in which to oppose filed October 9, 2001, on behalf of Leo Stoller is noted.

The record in the application file reveals that the mark was published for opposition purposes on August 28, 2001. Thus, the time for filing an opposition or request for extension of time expired September 27, 2001.

While the subject request was accompanied by a certificate of mailing it is dated September 28, 2001, a time subsequent to the expiration of the thirty-day period.

Therefore, the request filed October 9, 2001 must be denied as untimely. See: Section 13 of the Act of 1946 and Trademark Rule 2.102(c), both as amended effective February 27, 1983.
