On August 21, 2002, applicant filed a substitution of attorney and on August 23, 2002 a request to suspend the appeal pending a final determination of its petition to cancel Registration No. 1,374,584 (Cancellation No. **92040962**). The registration was cited by the Trademark Examining Attorney as a Section 2(d) bar to registration of applicant's mark.

The appeal is suspended indefinitely pending a final determination in the cancellation proceeding.

Applicant should inform the Board within twenty days following a final resolution of the proceeding, so that appropriate action can be taken.

If during the suspension period either applicant or applicant's counsel should have a change of address, the Board should be so informed.
