ANGELA CAMPBELL, PARALEGAL SPECIALIST:

Applicant has filed, on August 13, 2003, a notice of appeal and an amendment to the Supplemental Register.

Since the amendment to the Supplemental Register may serve to avoid the final refusal to register upon the Principal Register, proceedings in the appeal are suspended and the application is remanded to the Trademark Examining Attorney.

In the event that the Trademark Examining Attorney allows the application on the Supplemental Register, the appeal herein will be moot. If the Examining Attorney

ultimately issues a final refusal to register upon the Supplemental Register, the "six-month response" clause appearing on the letter in which such action is taken should be omitted; and the file of this case should be returned to the Board; action on the appeal will be resumed; and applicant will be allowed sufficient time in which to file its appeal brief.
