AGREED MOTION TO EXTEND TIME TO FILE AN OPPOSITION

In connection with the above identified Application, **Nextel Communications, Inc.** requests an extension of time to file an Opposition to and including **June 22, 2003**. A request for an extension time to and including May 23, 2003 has already been filed and granted.

The parties are continuing to discuss a possible settlement in this matter and require additional time to resolve the issues between them. Specifically, both parties are in the process of reviewing each other's goods, services and respective channels of trade and are discussing the issues at hand. This extension is necessary to complete those discussions. Applicant's counsel, Brian Anderson, consented to this extension via telephone on May 21, 2003. This request is not sought for purposes of delay. It is respectfully requested that this request be granted.

This request is submitted in triplicate in order to facilitate notification to all parties.

Respectfully Submitted,

May 23, 2003
