REQUEST FOR THIRD EXTENSION OF TIME TO FILE
NOTICE OF OPPOSITION

Madam:

Freshwater Software, Inc., a Delaware corporation, by and through its attorneys, Fenwick & West LLP, Silicon Valley Center, 801 California Street, Mountain View, California 94041, hereby requests that the Board grant an additional thirty (30) day extension of time to file a Notice of Opposition to registration of the SITESEER

trademark by applicant in the above-referenced case. The opposition period is presently set to expire January 29, 2003, and the requested extension of time would re-set the opposition deadline to February 28, 2003 (120 days from the date of publication) for Freshwater Software, Inc. This is the third request for an extension of the opposition period in this matter.

This request is not made to unduly delay proceedings in the Patent and Trademark Office. The extension is required to provide additional time for the potential opposer to consider the matter, gather information and confer with counsel so that a decision can be made as to whether an opposition should be filed. It is believed that this constitutes good cause for the request.

This request is being submitted in triplicate as required by 37 C.F.R. §2.102(d).

Respectfully submitted,

Dated: January 22, 2003
