The Board has received the request to extend time to oppose filed October 30, 2002 on behalf of Camelback Ski Resort.

However, the request had not been associated with the file of this application at the time a notice of allowance issued for the application.

The request to extend is well taken and potential opposer's time in which to file a notice of opposition is extended to December 29, 2002.

Unfortunately, the subject application file cannot be located. The Board is making every effort to locate the file. When we locate the file, we will forward it to the Intent to Use Section for cancellation of the notice of allowance.
