The Board has received the further request to extend time to oppose filed on August 1, 2002 on behalf of Key3Media Events, Inc.

Unfortunately, due to an administrative clerical error, the subject application matured into Registration No. 2,623,711. The Board regrets this situation, but is without authority to vacate the issuance of said registration.

Accordingly, the Board will forward the application file to the Office of the Commissioner for Trademarks for consideration of the cancellation of the inadvertently issued registration, following which further appropriate action will be taken with respect to the request to extend time to oppose.

In the meantime, potential opposer need not continue to file requests to extend time to oppose.
