On July 15, 2002, applicant filed a notice of appeal, request to divide, request for remand and a request to extend time to file its appeal brief.

The appeal is hereby instituted. However, proceedings in the appeal are suspended and the application file is forwarded to the Intent to Use Branch of the Office for action on the request to divide.

When processing of the request to divide is completed, the Intent to Use Branch should return the "parent" and the newly created "child" cases to the Board for further appropriate action.
