Applicant's notice of appeal filed August 13, 2003 is noted. Applicant indicated in its notice that a request for reconsideration was filed concurrently with the appeal, but the Board has not received said request.

Accordingly, the appeal is instituted but action on it is suspended until two months from the mailing date of this order to allow the Board time to receive and process the request for reconsideration. If the request for reconsideration is found sufficient, the Board will then suspend and remand the application file to the Examining Attorney.
