**REQUEST TO REINSTATE APPEAL AND CONSOLIDATE**

A Notice of Appeal in connection with the above application was filed on November 1, 2002. The appeal was suspended by the Board in a letter mailed March 26, 2003.

In an Office action mailed June 28, 2005, a final refusal concerning a disclaimer requirement and the insufficiency of evidence regarding acquired distinctiveness was issued. In subsequent Office actions mailed February 3, 2006 and May 4, 2006 the refusals were maintained and continued.

In view of the above, applicant requests the suspension be removed and this appeal be resumed.

In addition, it is requested this appeal be consolidated with the appeal of applicant's Serial No. 76/280,389 for

purposes of briefing, oral hearing and final decision. Both cases involve common issues of law and fact and therefore consolidation is believed to be proper.
