REQUEST FOR AN EXTENSION OF TIME FOR FILING APPEAL BRIEF

The appeals in connection with the above applications were consolidated on July 13, 2006.

Applicant requests the Board grant a seven (7) day extension of time for filing its consolidated appeal brief. The requested extension will extend the due date from September 11, 2006 to September 18, 2006.

Counsel for applicant is working diligently towards preparing its consolidated appeal brief but has come under time constraints with respect to certain other proceedings it is handling for other clients. The undersigned is the only attorney familiar with this appeal and has handled the prosecution of the applications from the outset. This request is made in good faith and it is believed the above reasons constitute good cause.
