Applicant has filed, on November 15, 2005, a request to remove this application from suspension along with a request for remand and an amendment.

It appears from the amendment that applicant is claiming that its mark has become distinctive as provided by Section 2(f) of the Trademark Act.

The file is herewith remanded to the Trademark Examining Attorney for consideration of the amendment. In the event the Examining Attorney finds the claim of distinctiveness persuasive and the refusal of registration is withdrawn, this appeal will be moot. If, however, another final refusal ultimately issues, the "six-month

response" clause should be crossed out; the file of this case should be

returned to the Board; action on the appeal will be resumed; and applicant will be allowed sufficient time in which to file its appeal brief.
