Dear Ms. Whitsey,

On June 1, 2004, you denied Opposer UBS AG's May 26, 2004 request for a 14-day extension of time to oppose the registration of the UPS MAIL TECHNOLOGIES mark (Serial No. 76/288,005). In your denial letter, you asserted that UBS had until March 28, 2004 in which to oppose the aforementioned mark. However, on March 24, 2004 UBS AG filed a consented request to extend the time to oppose the UPS MAIL TECHNOLOGIES mark by another 60 days, up to and including May 27, 2004.

Because the TTAB apparently did not receive this request, enclosed please find a copy of the request along with the date stamped filing receipt. Once you have received and reviewed Opposer UBS AG's March 24, 2004 request for an extension of time to oppose, we trust that you will approve it retroactively. After you have done so, we respectfully request that you reconsider your denial of Opposer UBS AG's May 26, 2004 consented request for a 14-day extension of time to oppose the registration of the UPS MAIL TECHNOLOGIES mark.

If you have any questions, please contact me. Otherwise, we appreciate your prompt attention to this matter.

Regards,

Patrick J. Jennings
