The request for extension of time to oppose filed on behalf of **The Cross Country Group, LLC** is noted.

Inasmuch as a review of the record in the application file fails to show that potential opposer timely filed either a notice of opposition or a request for a further extension of time to oppose, the subject request for extension of time to oppose is considered moot.

The Board presumes that potential opposer has no further interest in opposing this application.

¹ Note: The Opposer was granted an extension of time until January 03, 2003. In the January 27, 2003 request for extension of time there are two different certificate of mailing dates one is November 23, 2002 and the other is January 23, 2003. The legal assistant further explored the certificate of service, signature date of the attorney and the certificate of mailing. These dates are all the same January 23, 2003. The extension needed to have a certificate of mailing and service no later than January 03, 2003. The extension is denied for untimeliness.
