U.S. Patent & TMO/TM Mail Rpt Dt. #94

Miller Brewing Company, a Wisconsin corporation with its principal place of business at 3939 West Highland Boulevard, Milwaukee, Wisconsin 53208, hereby requests that its time for filing a notice of opposition to the above-entitled trademark application be extended for a period of 90 days, to August 28, 2002, for the reasons set forth below.

Miller Brewing Company believes that it may have reasons and grounds for opposing said application. In order to determine whether an opposition should be instituted, however, it will be necessary to obtain and evaluate the file history and market and other information. The time now set for filing an opposition expires on May 30, 2002, and it will not be possible to accomplish the foregoing by that time, nor is it believed that it will be possible within thirty (30) days from the present expiration date.
