On June 25, 2003, Ares Trading, S.A., through counsel has filed a copy of a request for a 60-day extension of time to oppose bearing a certificate of express mail dated March 14, 2003 and a copy of return receipt card attesting to the timely mailing of said document. In addition thereto, potential opposer submitted an additional request for extension of 30-days up to and including June 25, 2003, which was denied as untimely.

It would appear that through some undisclosed inadvertence, the original request was never received in this Office. However, since potential opposer has shown that the initial request was filed on March 14, 2003, it is considered timely and has now been approved until May 26, 2003, the request for an additional 30-day extension of time is also granted and potential opposer is allowed until **June 25, 2003** in which to file an opposition to the registration sought by applicant.

The notice of opposition filed on June 25, 2003 by potential opposer, Ares Trading, S.A., will be processed in due course.
