**REQUEST TO SUSPEND APPEAL AND
REMAND APPLICATION FOR FURTHER EXAMINATION**

Pursuant to Rule 2.142(d) of the Trademark Rules of Practice, Applicant respectfully requests that the appeal proceedings in connection with the above-identified application be suspended and that the application be remanded to the Examining Attorney for further examination.

Applicant wishes to amend the description of goods and services to read as follows:

Cards, namely, magnetic coded cards and encoded electronic chip cards (smart cards) both containing programming used to process and transmit bill payment data and to process electronic funds transfer in Class 9;

Financial services, namely, electronic payment in the nature of electronic processing and transmission of bill payment data and electronic funds transfer services in Class 36; and

Technical consultancy in the filed of computers; design and development of computer equipment and software; computer programming; providing an electronic database in the field of computer information; rental of computers and computer equipment in Class 42.

Applicant believes that amending the identification of goods and services will place the application in a position for publication and fully complies with the requirements in the Examining Attorney's final refusal.

Respectfully submitted,

PROTON WORLD INTERNATIONAL,
IN SHORT PWI
