TO THE TRADEMARK TRIAL AND APPEAL BOARD:

Dear Sir:

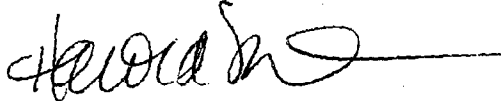

I refer to your letter of January 27, 2003 regarding the above referenced matter. I enclose a copy of your letter as well as the underlying request for extension of time opposed.

It has come to my attention that our request for extension contained a typographical error in regard to the Serial Number of the subject application. The correct Serial No. is 76/387355, whereas our request listed 76/387335. However, all of the other identifying information was correctly set forth to identify the application which was the subject of the request for extension.

In these circumstances, kindly apply the extension request against Serial No. 76/387355. Please advise whether you require my declaration in this regard or other document to support this correction.

Respectfully submitted,
