AMENDMENT AFTER PUBLICATION

Sir:

Please amend the above-captioned U.S. Service Mark Application by deleting the identification of services in its entirety and substituting therefor:

**

Conducting a contest for religious musical talent, in International Class 41.

**

REMARKS

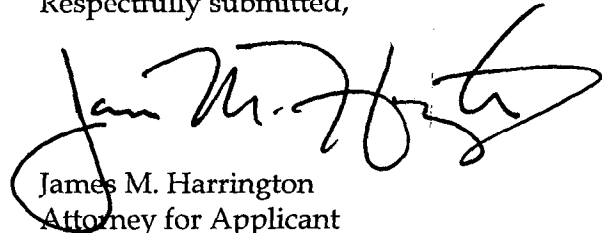

The present application was published on November 12, 2002, and has been the subject of a series of requests for extension of time to oppose the registration, which requests the Trademark Trial and Appeal Board has granted up to and including June 12, 2003. A further request by the potential opposer to extend the time to oppose through July 11, 2003, has been filed with the consent of the Applicant but has not yet been acted upon by the Board.

By the present amendment, the Applicant seeks to specify that the service provided in connection with the mark for which registration is sought is "conducting a contest for religious musical talent." It is believed that this change, as it narrows the scope of the services for which registration is sought, will not require republication of the mark.

The Board is requested, per the procedure identified in the TTAB Manual of Procedure, § 212, to forward the application file to the Examining Attorney for consideration of the amendment.

The Office is invited to contact the undersigned Attorney for Applicant at (704) 331-7541 with any questions concerning this Amendment.

Respectfully submitted,
