**SIXTH REQUEST FOR AN EXTENSION OF
TIME TO FILE NOTICE OF OPPOSITION**

The Honorable Commissioner of Trademarks
Washington, D.C.

SIR:

Previous requests for extensions of time were granted up to July 6, 2003.

Celestica International Inc. now hereby respectfully requests a further thirty (30) day extension until August 5, 2003 to file a Notice of Opposition.

In the course of the last month, these settlement discussions have had progress in that the parties have been discussing approval of specific wording for the identification of services in the application. It has not been possible to complete these discussions by the present date, especially in view of the vacation schedules of several of the attorneys involved. It is hoped that these discussions can result in a settlement within the present extension.

Karol A. Kepchar, Esquire, the attorney for Applicant has consented to this request.

This request is being filed in triplicate.

Respectfully submitted,
LARSON & TAYLOR, PLC
